Davos, Switzerland

ARC NOVELTY PRIZE

Davos, 19.10.2023

The ARC Novelty Prize: Rewarding the Most Promising ARC Approaches

Eligibility Criteria:

- (1) Be registered for ARCAthon 2023
- (2) Submit an explanation of your strategy and the submitted code for jury review,
- (3) Achieve at least a 1% solution rate on the official ARCAthon 2023 leaderboard, and
- (4) Satisfy the jury's minimum judging criteria.

Prizes:

The best 3 teams are invited to Switzerland for:

- An exclusive five-day ARC workshop at Lab42 in Davos, scheduled for March 2024.
- A unique opportunity to discuss and brainstorm your strategies with the creator of ARC, François Chollet.
- Travel costs are covered and accommodation provided by Lab42.

Judging Criteria:

- Originality and novelty of your approach.
- Potential of your solution to solve ARC in the future.
- Clarity and quality of your documentation and explanation.

Showcase your insights and take your team to the Swiss alps!

Best of luck and we hope to see you soon!

Your Lab42 Team
